50 AI Prompts to Turn PLR into Courses

Step-by-step prompts to transform PLR into video scripts, slide outlines, and course modules

How to Use These Prompts

Just copy and paste any of the prompts into ChatGPT (or your favorite AI tool), add your PLR content, and watch it turn into a course-ready asset.

You can structure an entire course — from intro to modules to slides and bonus materials — using only PLR and these prompts.

SECTION 1: Turn PLR Into Course Outlines

1. **"Turn this PLR article into a 5-module online course outline."**
2. **"Break this content into 3–7 core lessons with logical progression."**
3. **"Outline a beginner-level course using the ideas in this PLR content."**
4. **"Create an advanced version of a course based on this PLR topic."**
5. **"Add outcomes and learning objectives to each module from this PLR."**
6. **"Convert this PLR into a course curriculum including titles, bullet points, and lesson goals."**
7. **"What would be a good course name, subtitle, and tagline based on this PLR?"**
8. **"Group these PLR topics into a themed mini course for freelancers."**
9. **"Suggest bonus module ideas to add to this 5-part course."**
10. **"Add interactive elements like quizzes, worksheets, or challenges to this PLR course structure."**
